

Coalition Training SPF SIG

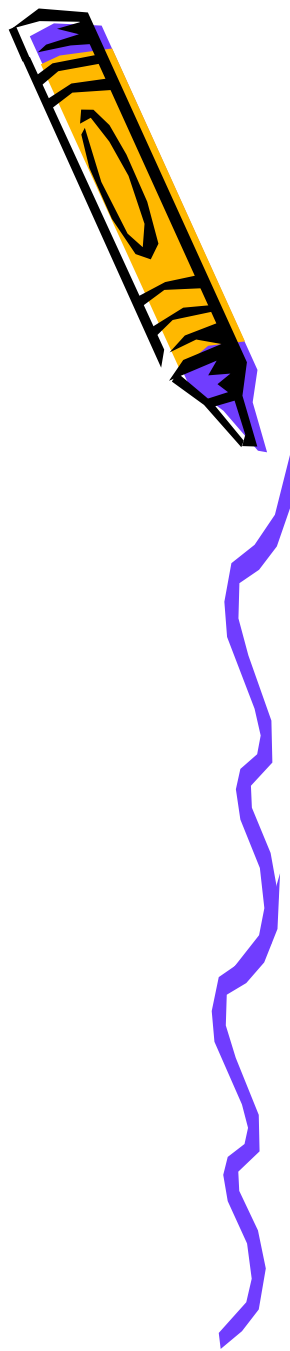

Introductions

Coalition Training

- Training Manual
 - Will have 12 different sections
 - Today receiving Sections 1 & 2

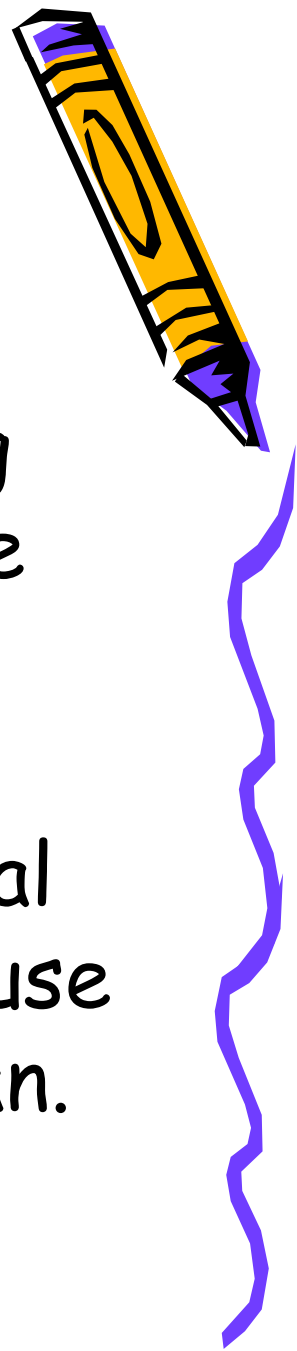

Training Manual Section 1

- Section 1 - Overview
- Why do we have a training manual?
- What can you expect to get from it?

Training Manual Section 1

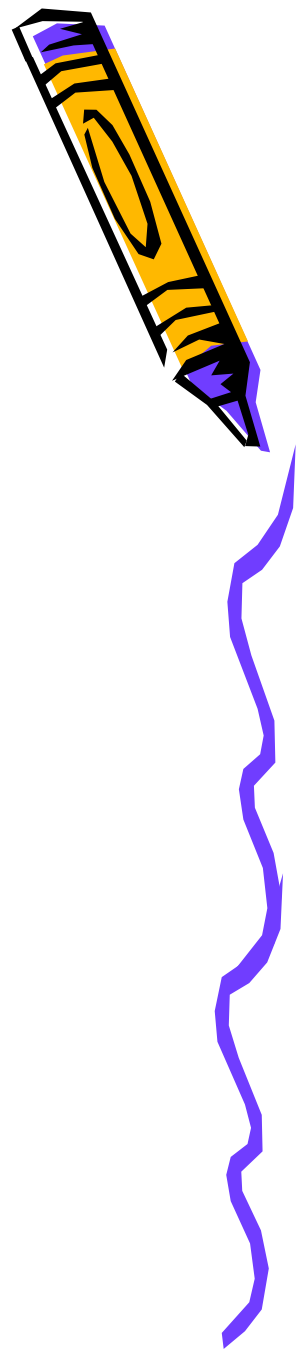

- The main objective of the Training Manual is to assist you through the Strategic Prevention Framework (SPF) 5 Step Process.
- We have set up the Training Manual to include templates that you can use in creating your local Strategic Plan.

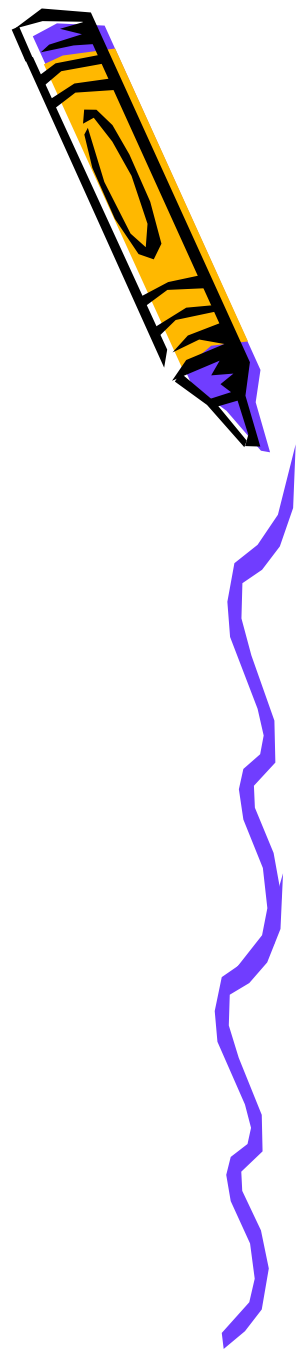

Training Manual Section 1

SPF 5 Step Process

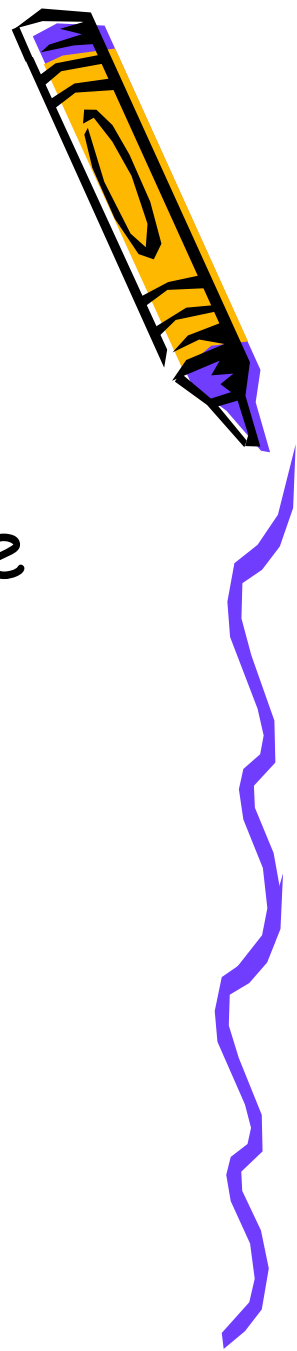

- Assessment
- Capacity Building
- Planning
- Implementation
- Evaluation

SPF 5 Steps

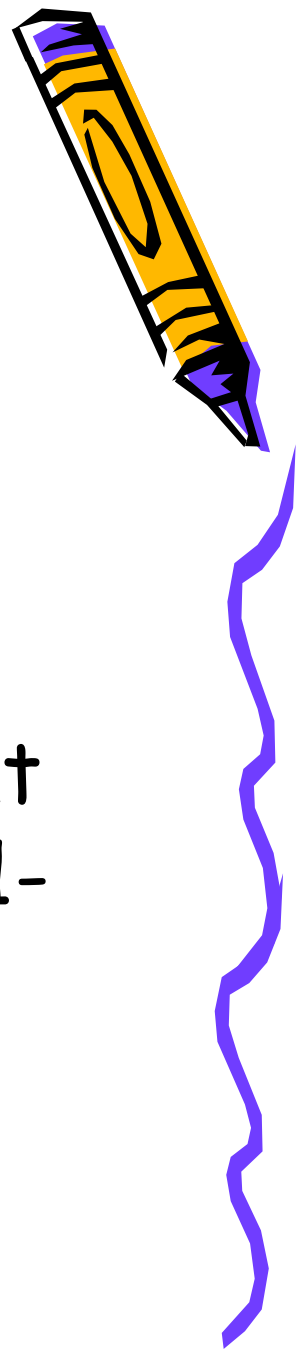

Training Manual Section 1

- Most of the Training Manual will focus on the first two steps of the SPF process: Assessment and Capacity Building.
- Why?

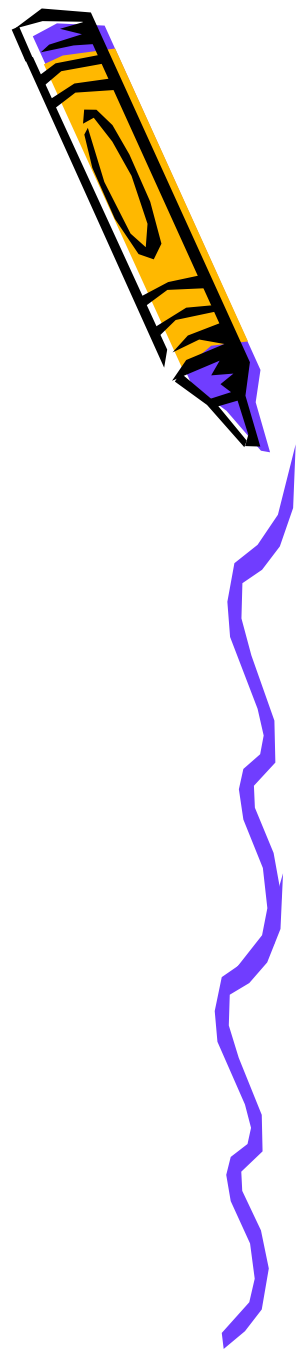

Training Manual Section 1

- Today you are receiving Sections 1 and 2. Please keep in mind that Section 2 is a draft.
- You will receive Sections 3 and 8 at the SPF SAPST training (March 31-April 4, in Heber).

Training Manual Section 1

- At the May Retreat in St. George:
 - Receive Sections 4, 5, and 6

Training Manual Section 1

- My theme will be....

Strive for Excellence!

Training Manual Section 2A

- The objective of Section 2A is to know what requirements/components of coalitions are necessary to function well enough to commence the SPF process in your community, as well as knowing what resources are available to enhance or train coalitions.

Training Manual Section 2A

- Resources:

- Communities that Care,
<http://preventionplatform.samhsa.gov>
- A Perfect World Vision, Community Anti-Drug Coalitions of America (CADCA) www.cadca.org
- Center for Prevention Research and Development (CPRD) Research Brief:
"Evidence-Based Practices
for Effective Community Coalitions: a Summary
of Current Research."
- Your Peers!!!!

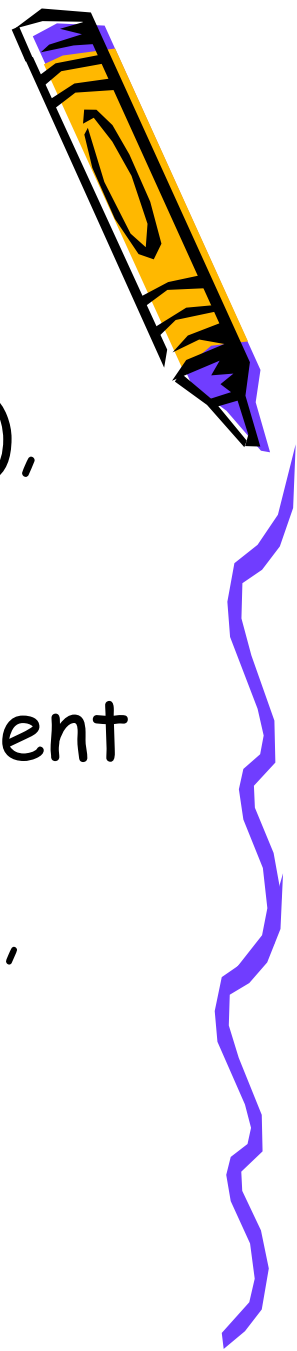

Training Manual Section 2A

- "A coalition is not a prevention strategy, but part of a comprehensive prevention plan."
- A coalition is an integral part of the SPF process. Why?
 - Helps go through all 5 steps
 - Assists with the planning, prioritizing, collaborating

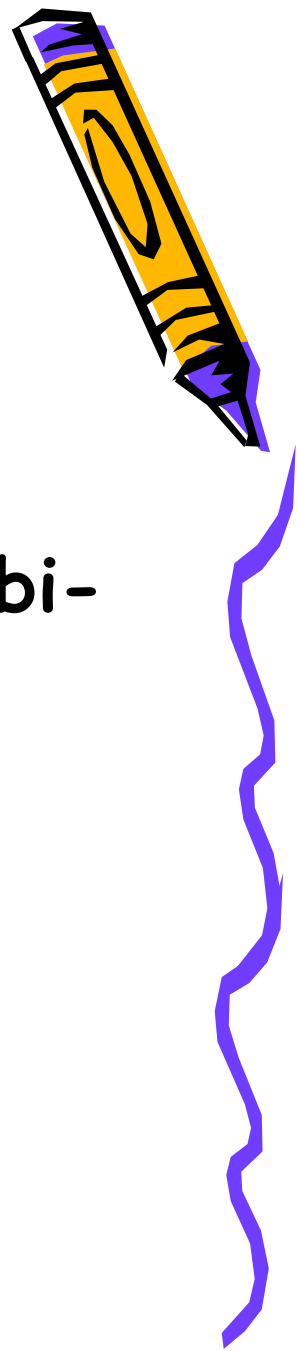

Training Manual Section 2A

- In order to achieve success (Remember, Strive for Excellence), you need to have your coalition functioning at a minimum capacity.
- Everyone will be starting at different points.
 - We have similarities and differences, and that's what makes us a great resource for one another

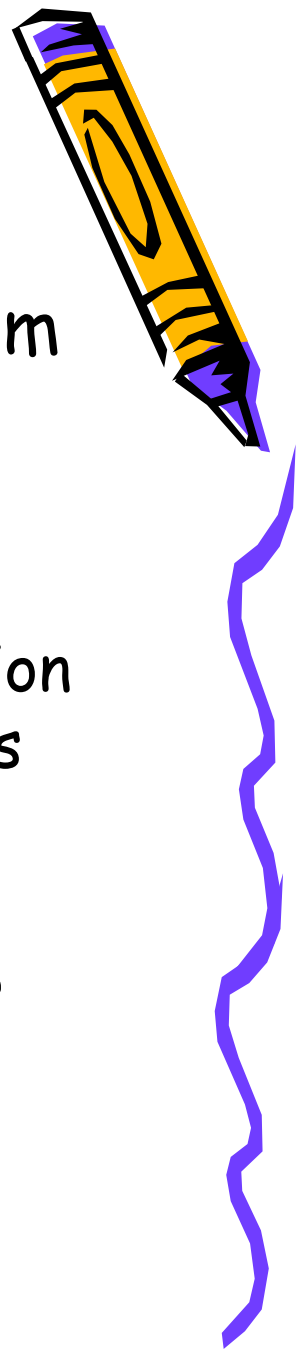

Minimum Standards

- Meet Consistently and Frequently
 - Minimum requirement: meet at least bi-monthly
 - Goal: meet monthly

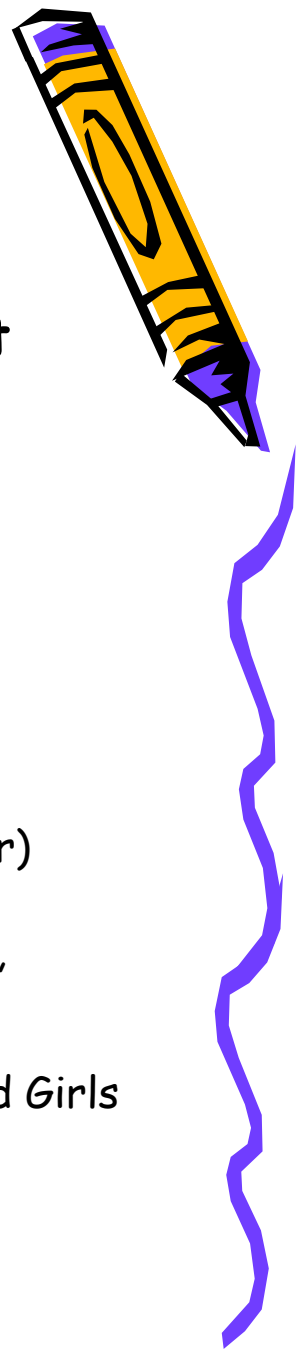

Minimum Standards

- Invite Key Prevention Stakeholders from the Community
 - Minimum requirement: have invited a representative from each sector. 60% of sectors that are represented on the Coalition need to have attended 65% of the meetings over the last 6 months, or the life of the Coalition
 - Goal: get representatives from each sector attending 90% of meetings

Minimum Standards Coalition Stakeholders

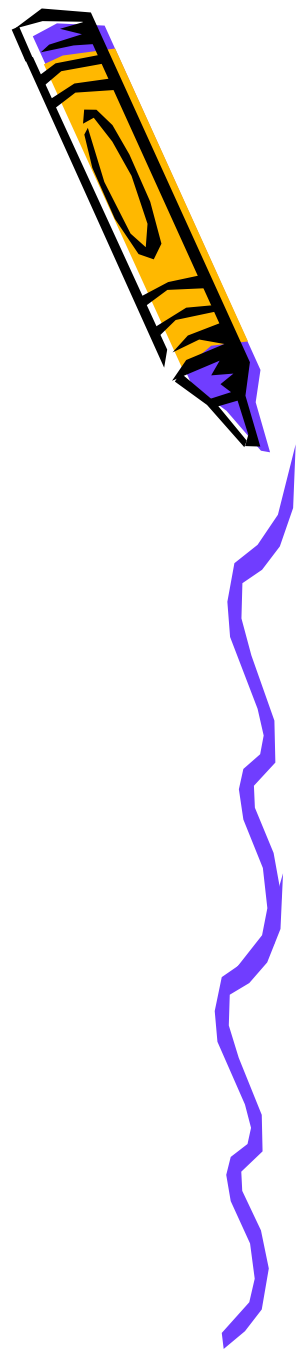

- Key prevention stakeholders should include, and are **not limited to** a representative from each of the following sectors:
 - **Local government** (i.e. County Commissioner, Mayor, city council representative)
 - **Education** (i.e. School Administrator, teacher, school board representative, PTA)
 - **Law enforcement** (i.e. Police chief, local compliance check officer)
 - **Business** (i.e. Local business manager, small/large business owner, mining/trucking industry)
 - **Youth programs/services** (i.e. Big Brothers/Big Sisters, Boys and Girls Club, local after-school program director)
 - **Parents** (i.e. Elementary, middle, or high school parent)

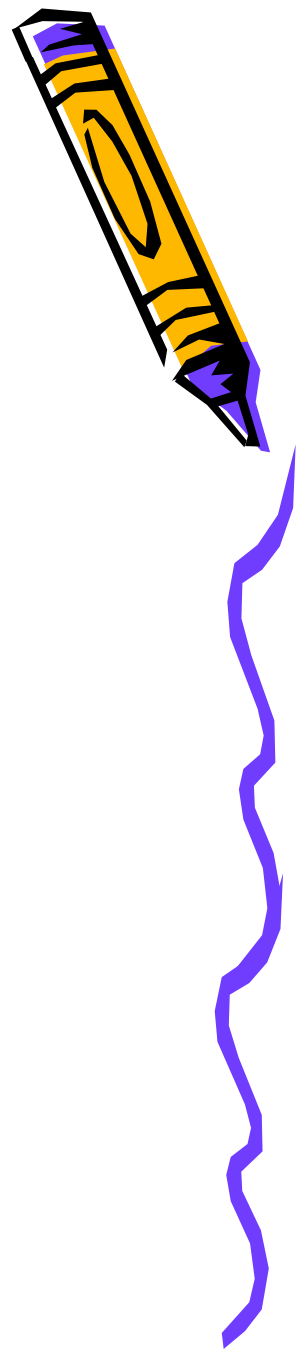

Minimum Standards Coalition Stakeholders

- **Social services** (i.e. DCFS, private therapy group, mental health agency, LDS family services)
- **Faith community** (i.e. Pastor, Bishop, LDS family services)
- **Cultural/ethnic groups** (i.e. Hispanic, Polynesian, deaf or hard of hearing, mining industry)
- **Justice system/courts** (i.e. Local judge, parole officer)
- **Health services** (i.e. Local health dept, WIC clinic,
- **Media** (i.e. Local newspaper, TV, and radio stations)
- **Citizens** (i.e. Parent, youth, concerned citizen)
- **Other** (i.e. volunteer, community member at large)

Minimum Standards

- Bylaws and/or Guidelines
 - Minimum requirement: Informal bylaws/guidelines (unwritten)
 - Goal: Formal, written guidelines
 - Reviewed by coalition bi-annually
 - When new members join, they should receive a copy

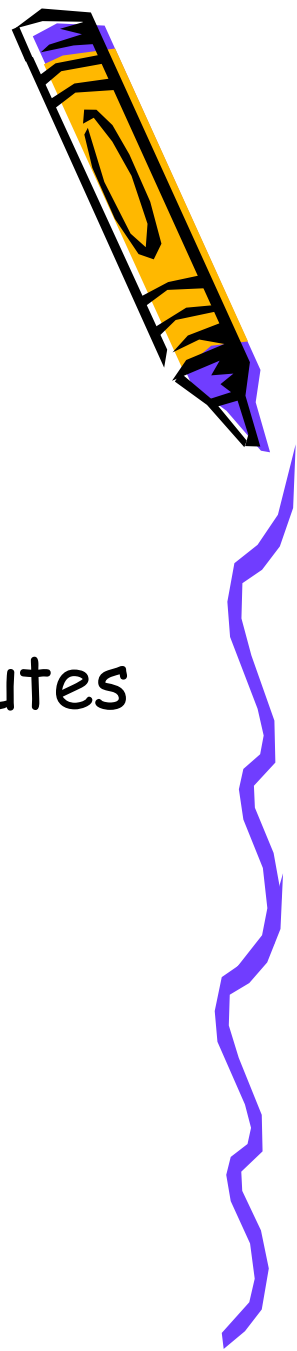

Minimum Standards

- Agendas and Purpose
 - Minimum requirement: have an agenda outlining the purpose of the meeting for every meeting.

Minimum Standards

- Minutes
 - Minimum requirement: collecting minutes from every meeting
 - Goal: Distribute the minutes to the members

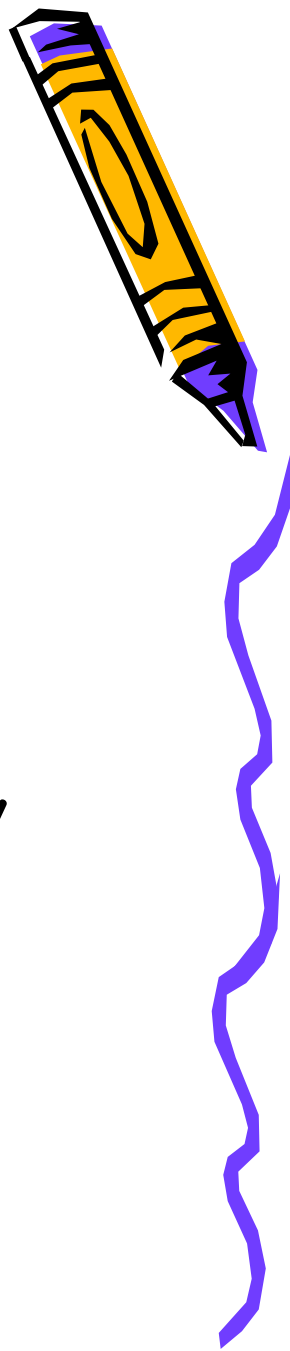

Minimum Standards

- Vision and Mission Statements

"Begin with the end in mind."

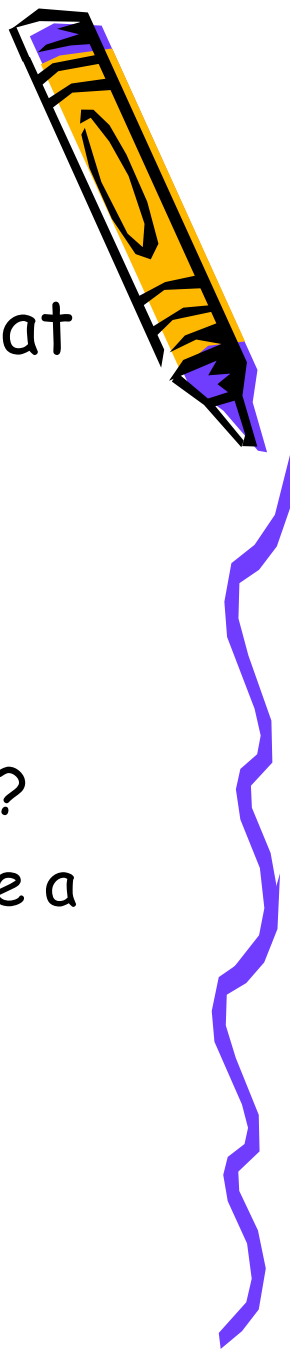

Stephen R. Covey

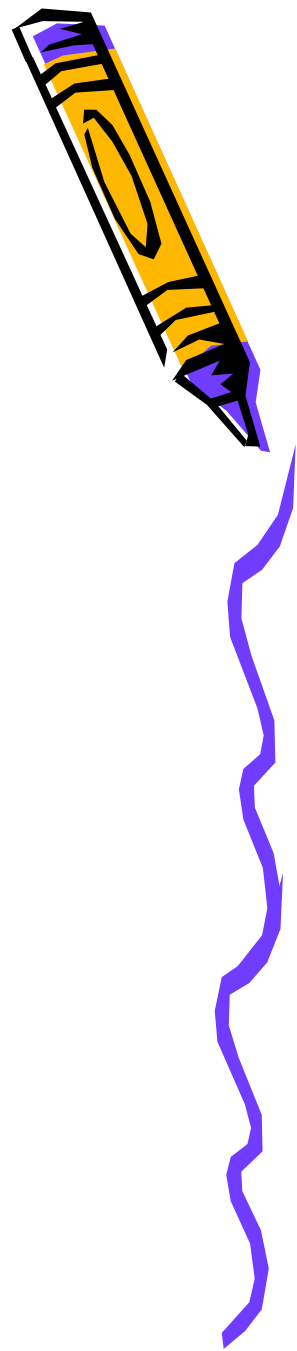

Your Community

Picture yourself in 25 years looking down at your community from a helicopter.

- What do you want to see?
- How are families interacting?
- What's happening in the schools?
- How are children involved in the community?
- What policies have been introduced to make a safer, healthier community?
- Who are your partners?

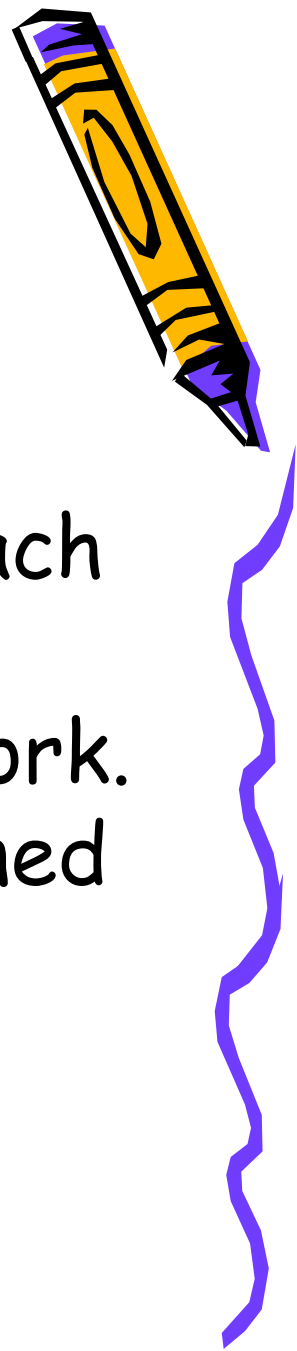

Effective Vision Statements

- Future-focused
- Provides direction
- Aspiration, Inspiration, Perspiration
- Create a sense of urgency
- All members feel ownership

Sample Vision Statements

- "Box Elder Safe Communities Coalition uses a 'grassroots' approach to create and maintain a safe environment in which to live and work. The coalition calls upon the combined resources and knowledge of the community."

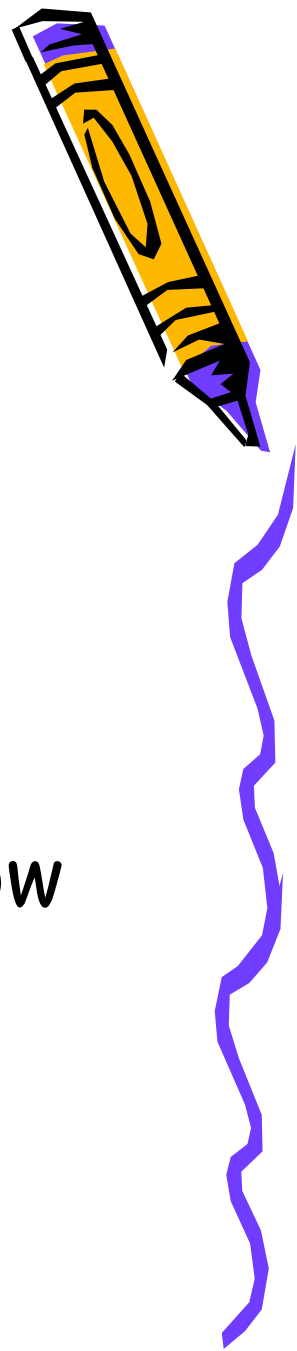

Sample Vision Statements

"The Mission of the Cache Northern Utah Substance Abuse Prevention Team, community-based advisory group, is to work actively in preventing alcohol, tobacco, and other drug use among youth."

Sample Vision Statements

"Our vision is a community that has harnessed its creativity and resources to provide each young person with the opportunity to grow up safe, healthy, and happy."

Minimum Standard Vision Statements

- Minimum requirement: have formal (written) vision and/or mission statement
